J. FRED HUME,
Provincial Secretary.

AT GOVERNMENT HOUSE,
VICTORIA, B.C., 13th July, 1898.

The Hon. The Provincial Secretary,
Victoria, B. C.:

SIR,—Referring to the Order in Council received this morning by His Honour the Lieutenant-Governor for approval, dated the 8th instant, wherein the several jurisdictions of Messrs. Alexander Sproat, S. M., and John Kirkup, S. M., are settled and defined, and wherein is also incorporated a recommendation that Mr. Frederick George Fauquier be appointed a Gold Commissioner in and for the Ainsworth Mining Division of West Kootenay, and a Stipendiary Magistrate in and for the County of Kootenay, at a salary of \$125.00 per month, I am directed by His Honour the Lieutenant-Governor to say that so much of the Order as settles and defines the jurisdiction of Messrs. Sproat and Kirkup, as aforesaid, must be made the subject of a separate recommendation. I enclose the Order herewith for amendment as indicated.

I have the honour to be,

Sir,

Your obedient servant,
(Signed) T. R. E. McINNES,
Private Secretary.

AT GOVERNMENT HOUSE,
VICTORIA, B.C., 14th July, 1898.

To the Hon. J. H. Turner,
Premier of the Province of British Columbia:

SIR,—Referring to a letter of my Private Secretary dated yesterday, and addressed to the Honourable the Provincial Secretary, returning a recommendation of the Executive Council, made in the matter of the appointment of Frederick George Fauquier as a Gold Commissioner and Stipendiary Magistrate, unapproved by me, I have the honour to explain to you my reasons for so doing, as well as to indicate the course I propose to follow for the present in regard to such recommendations. I cannot look on the result of the General Elections for this Province, held on the 9th instant, as other than adverse to your administration, and an expression of want of confidence on the part of the people. At the same time, as the Cassiar elections are still pending, I do not wish in any way to embarrass you in administering the ordinary business of the Province. Unless, however, I become convinced that you have the support of a majority of the new Legislative Assembly, I cannot accept the advice of yourself and colleagues in regard to new appointments to office, or in regard to any special expenditures of money not provided for in the current Estimates, unless shown that an urgent necessity exists for the same in the interests of the Province.

I have the honour to be,

Sir,

Your obedient servant,
(Signed) THOS. R. McINNES,
Lieutenant-Governor.

AT GOVERNMENT HOUSE,
VICTORIA, B. C., 25th July, 1898.

To the Hon. J. H. Turner,
Premier of the Province of British Columbia:

SIR,—I have returned unapproved to the Hon. the Provincial Secretary the recommendation of the Executive Council that the dates of holding the elections in the Cassiar Electoral District be altered from the dates already fixed by the Returning Officer for the District, viz., the 30th day of July and the 6th day of August, to the 1st day of September, in respect to the following polling stations:—Hazelton, Lorne Creek, Glenora, Telegraph Creek, Dease Creek, Me-Dame Creek, Teslin Lake, and Lake Bennett. I have

carefully considered the reasons urged on behalf of so doing by the Minister, the Hon. the Provincial Secretary, but having in view existing political conditions, as set forth to you in my letter of the 14th instant, I do not consider these reasons as adequate and cannot therefore approve the recommendation.

I have the honour to be,

Sir,

Your obedient servant,
(Signed) THOS. R. McINNES,
Lieutenant-Governor.

To the Hon. J. H. Turner,
Premier of the Province of British Columbia.

SIR,—In my letter of the 14th July last, regarding my refusal to approve of certain Minutes of Council therein mentioned, I stated that I could not look upon the result of the General Elections for the Province, held on the 9th of the same month, as other than adverse to your administration, and an expression of want of confidence on the part of the electorate. You were informed by the same letter that, pending the Cassiar election, I would not embarrass you in administering the ordinary business of the country, but that unless I could be shown that you had the support of the majority of the members elected to serve in the Legislative Assembly, I would not accept the advice of yourself and colleagues in regard to new appointments, or in regard to special expenditures of money, except in cases of urgent necessity in the interests of the Province. I said pending the Cassiar elections, not that the result there, whether favourable or otherwise to your administration, would, in my opinion, reverse the verdict of the electorate, but because I did not wish to take any decided action thereon until the writs had been returned from every constituency in the Province. Since writing that letter, however, the representations made by yourself and colleagues, and hereafter referred to, in regard to the expenditure of various sums of money, have influenced me to the extent that I shall no longer await the return of the Cassiar writs before acting on what I consider the verdict of the electorate, as it may be that further delay in calling in a Ministry in whom I would have full confidence would prejudicially affect the interests of the Province. It was recommended by the Hon. the Chief Commissioner of Lands and Works, and urged upon me by yourself and the Hon. the Attorney-General, that the moneys voted for roads, bridges, school-houses, etc., should forthwith be expended in Vernon, Cowichan, Cariboo and Kamloops, and warrants have been sent up for my approval covering, in some instances, nearly the whole amounts voted for the said localities. On the recommendation of the Chief Commissioner also, I have been asked to approve of a special warrant for a considerable sum for the Nelson Court House, additional to the sums already voted for that building. The Executive Council advised me to approve a minute authorising yourself and the Hon. the Attorney-General to execute forthwith a contract, on behalf of the Government, granting a subsidy to the Columbia and Western Railway Company. And in conference had on the 2nd instant with yourself, the Hon. the Attorney-General and the Hon. the Provincial Secretary, the necessity of at once placing a large sum at the disposal of the Government Agent in the Cassiar District for the building of trails and roads through that district, and for the assistance and relief of a large number of men in that district who could be employed in such work, was urged upon me, and it was strongly contended that to withhold that sum now would be to retard the exploration and development of a rich mining section of the Province. Now, in these cases, as you are aware, and in others not mentioned, I have withheld my approval, as I considered them outside of routine business, and in none of them could I see that a delay of a few weeks would make any material difference to the localities concerned, or to the Province at large. And, in a few other cases, not mentioned, I approved of certain expenditures as recommended. But at the same time I fully realize that my own judgment as to the expediency of such expenditures may be at fault. And I fully realize also, that this is an exceedingly important period in the development of the Province, and that lack of proper expenditure in certain localities might indeed retard that development. Consequently, impressed as I am with a deep sense of my responsibility to the Crown, and my duty to the people of the Province, and convinced that yourself and colleagues are no longer endorsed by the electorate, and have not the confidence of the Legislative Assembly, I have decided

to no longer delay in calling for other advisers. For, as I would not feel justified in granting you another dissolution and appeal to the electorate, and as after a careful study of the situation I am convinced that you could not command a majority in the Assembly, I shall not put the Province to the delay, or to the expense, of a special Session of the Legislature, merely for the purpose of formally demonstrating what has been already sufficiently demonstrated to me by the General Elections. I deem it my duty, therefore, to ask, and I do hereby ask, that yourself and your colleagues hand in your resignations as advisers to me, and as members of my Executive Council.

Dated at Government House, Victoria, B. C., this 8th day of August, 1898.

(Signed) THOS. R. McINNES,
Lieutenant-Governor.

AT GOVERNMENT HOUSE,
VICTORIA, B. C., 8th August, 1898.

To the Hon. Robert Beaven, Esq.,
Victoria, B. C. :

SIR,—I have the honour to inform you that, by letter of even date herewith, I have relieved the Hon. J. H. Turner and his colleagues from their functions as my advisers and members of my Executive Council. This action I have taken in view of the result of the general elections held on the 9th of last month. This is probably the most important period yet known in the development of the resources of the Province, and during the month that has elapsed since the said general elections I have deeply felt the need of advisers in whom I could place full confidence, and whose recommendations I could unhesitatingly approve. And knowing your thorough knowledge of the special needs and requirements of the Province, and having in view your long and honourable experience throughout a quarter of a century in the administration of its affairs, and regarding you moreover as peculiarly fit to reconcile its contending political factions, I hereby call upon you to assume the task of forming a Ministry, and to once more act as chief adviser to the representative of the Crown.

(Signed) THOS. R. McINNES,
Lieutenant-Governor.

Mr. Beaven has the honour to inform His Honour the Lieutenant-Governor that he accepts the duty proposed to him in His Honour's letter of even date, and will proceed with the formation of a new administration.

Victoria, British Columbia,
8th August, 1898.

Mr. Beaven thanks His Honour the Lieutenant-Governor for the confidence reposed in him by the commission placed in his hands of forming a new administration. Under existing conditions, Mr. Beaven deems it the proper course to ask His Honour to relieve him of further duty in the matter.

Victoria, British Columbia,
12th August, 1898.

VICTORIA, 9th August, 1898.

To His Honour the Lieutenant-Governor
of British Columbia :

SIR,—On the 14th day of July last you advised me by a formal communication that you regarded the result of the general elections as adverse to my administration. You added that "as the Cassiar elections are still pending," you did not wish to embarrass me in administering the "ordinary business of the Province."

On the 25th of July you declined to act upon the recommendation of the Executive Council respecting the date for holding the elections in Cassiar Electoral District, in respect to certain polling stations, "having in view existing political conditions."

The elections in Cassiar being still in progress, I have now to acknowledge the receipt of a further communication from Your Honour, dated the 8th day of August instant, in which you say you shall no longer await the return of the Cassiar writs before taking action on what you "consider the verdict of the electorate." You recite certain recommendations for expenditure of accounts voted by Parliament, which you consider "outside of routine business," and you say that in these you saw "that a delay of a few weeks" would make no material difference.

Your Honour goes on to observe that unless you became convinced that I had the support of the majority of the Legislative Assembly, "you could not accept the advice" of myself and colleagues in regard to "new appointments to office or in regard to any special expenditures of money not provided for in the current Estimates, unless shown that an urgent necessity exists in the interests of this Province."

Your Honour, however, proceeds immediately to inform me that, as your own judgment in these matters may be at fault, and being convinced that I and my colleagues are no longer "endorsed by the electorate," you have decided to "no longer delay calling for other advisers"; and Your Honour concludes by asking that I and my colleagues hand in our resignations as advisers to you and as Members of your Executive Council.

This communication was received by me at the hour of 12 by the clock on the 8th day of August. At three o'clock in the afternoon of that day, Mr. Beaven, a defeated candidate in the general elections not yet concluded, was announcing that he had been sent for by Your Honour to form a Government, and the evening paper, the "Daily Times," made a similar announcement.

It is impossible for me to assume that Mr. Beaven or the paper mentioned were justified in making such statements. Nevertheless, the fact that they were made may become important in connection with the responsibility Your Honour proposes to undertake.

Permit me to add to the above record of correspondence facts which I submit are of great importance in connection with the present situation.

On Monday, July 18th, 1898, Mr. T. R. E. McInnes, Your Honour's Private Secretary, called on me at my office in the Treasury. He spoke of the letter of July 14th from the Lieutenant-Governor to me, in which the Governor gives his reasons for not signing Fauquier's appointment, etc. He (the Private Secretary) said that he had written that letter. He said that Your Honour considered that the result of the elections generally was against the Government, and therefore no new appointments should be made, and no special warrants drawn. He then went on to say that there was a method by which I could secure a strong Government, that owing to the fact that some parties who had taken a very active part against the Government in the late elections, being somewhat nervous now about the real position of affairs in the Province, particularly with respect to the preponderance of Mainland influence and the consequent danger of the rights of the Island being neglected, they, or he, had arrived at the opinion that it would be well to back me up by support from some of the Members who had been elected to support the Opposition; and he desired to let me know that his brother, W. W. B. McInnes, M.P., could carry out an arrangement of that kind. He (W. W. B. McInnes) was prepared to resign his seat in the Commons and enter into local politics. He was really a friend of mine, and fully supported most of my policy, more particularly that of railways, agriculture and finance. He would, however, want a seat in the Cabinet, and if I were inclined to give him that he was quite sure he could bring over two of the present Opposition Island members to my support in addition to his own. This would give me, in the event of Cassiar being favourable to my Government, at least 21 or 22 Government supporters, and I should, he thought, have little difficulty in getting over one or two more, thus securing a good working majority.

A few days after Mr. W. W. B. McInnes called at my office and discussed the situation on the lines suggested by his brother, Your Honour's Private Secretary, and confirmed the statements made by the latter.

Mr. W. W. B. McInnes subsequently had other interviews with me on the same subject in my office, and negotiations have practically continued until the present time. Your Honour will observe that such representations from such a quarter necessarily required serious consideration on the part of the Government and I was surprised to receive Your Honour's letter, inasmuch as it placed an entirely new complexion on the whole situation.

I shall not at this juncture comment upon all the incidents above related, nor do I propose here to examine the particular opinions of the candidates at such elections as have been held, indeed I am at loss to know how this can accurately be done by anyone, but I will call Your Honour's attention to several phases of the situation certainly as notorious as any of the incidents of the political contests to which Your Honour refers.

Mr. Semlin, Mr. Cotton and Mr. Martin were the leading opponents of the Government.

Certain gentlemen elected, while not pledged to support the present administration, have not agreed as to which of these gentlemen will obtain their support in the formation of the Ministry.

No ordinary political party lines were adopted by any of the candidates.

I am not aware, and have no reason to believe, that of the gentlemen so far elected a majority have in any way indicated their resolve to support a direct motion of want of confidence in the present administration.

There are at present 17 election petitions filed questioning the return of 17 gentlemen supposed to have been elected to oppose the present administration. It is for the Courts to determine whether any or all of these gentlemen have been duly elected.

Suggestions such as these might be multiplied. They all go to show that it is at least doubtful whether, regardless of the vote of the District of Cassiar, the "considered judgment of the country" is adverse to your present advisers.

It is, however, my duty to point out to Your Honour that the course you propose is without precedent in constitutional Government.

The authorities fortunately are so strong upon the subject that I feel convinced that on reconsideration Your Honour will be inclined to withdraw the communication of the 8th inst.

I claim the right on the part of your advisers to remain in office until a new Parliament has met and given a definite division upon the merits. In the language of Lord John Russell, the Assembly is "the

legitimate organ of the people, whose opinions cannot be constitutionally ascertained except through their representatives in Parliament."

Your Honour will not question that in dealing with the subject in hand recourse must be had to the usage of the Crown in the Mother Country, and that it is your duty "to endeavour to ascertain and to imitate so far as may be consistent with" your position and responsibility as a Lieutenant-Governor. (See Todd's Government in the Colonies, page 324.)

In the language of Lord Dufferin, your "guiding star" is and ought to be the Parliament of this Province.

"Parliament is the voice of the people." (Todd's Parliamentary Government of England.)

Primarily it is the bounden and solemn duty of a Ministry when defeated at the polls to meet Parliament before tendering resignation, and this has been the practice in England down to a recent date, subject to but few exceptions.

The present leader of the Government in the House of Commons in England, when the ministry of which he was a member was defeated in 1892, met Parliament after the general election, and did not resign until defeated on the debate on the address in reply to the Queen's Speech from the Throne.

Mr. Balfour, on that occasion, said:—"In meeting Parliament, we are strictly following the best precedent." Let me, however, draw Your Honour's attention to recent Canadian precedence.

The Government of Mr. Mackenzie was defeated on the 17th September, 1878, at a general election, by an overwhelming majority. It was in the next month that Mr. Mackenzie decided to resign. Lord Dufferin did not suggest this course. On the contrary, Mr. Mackenzie excused himself for taking it. To meet Parliament under the circumstances, he wrote, was the course "in accordance with the English practice," but, he went on to urge, as a justification for not doing so, "there are two precedents of recent date in favour of a resignation before the meeting of Parliament." Even in this case, where the popular verdict gave a majority of 80 against him, the Globe newspaper said: "It is true Mr. Mackenzie knows nothing of the strength of the respective parties until that be tested by a division of the House of Commons," and again, "He has the legal right to hold office until the usual time of the meeting of Parliament, to do all the acts that a ministry in the possession of a majority could do."

In the case of Sir Charles Tupper's administration, in June, 1896, over which much difference of opinion has existed, Lord Aberdeen did not dream of suggesting the resignation of that ministry. The ministry had been defeated at the polls. All the returns were in. Not a single election petition had been filed. The Parliament, which had terminated by effluxion of time in the preceding April, had voted no supplies for the fiscal year beginning in July.

His Excellency did not, however, refuse to act upon the advice of his defeated ministry. On the contrary, he approved of some of the appointments to office between June 23rd and July 11th.

He withheld his approval only from all recommendations which involved—

1. The creation of new offices or appointments.
2. The filling of vacancies for which no provision had been made by Parliament, and which had existed for more than one clear fiscal year.

3. Superannuations (and the consequential appointments) for which applications had not been received.

All other Executive acts for which supplies were voted were approved, and it was not suggested that His Excellency would withhold his approval from any recommendations necessary to carry on the Queen's Government until the voice of the people was made known through Parliament.

Sir Charles Tupper, it is true, challenged the constitutionality of the action of His Excellency in making such restrictions as the above, and on the grounds mentioned in a memorandum under the circumstances, and he forthwith resigned; but there does not exist a case in Parliamentary Government, in English or Canadian history, where the Crown, or Governor-General representing the Crown, asked for the resignation of a Ministry because of the result, or supposed result, of a general election, even where the full returns were officially announced.

Under these circumstances, while neither my colleagues nor I personally desire to hold office contrary to the will of the people, we feel bound, in the interests of Constitutional and Parliamentary Government, to claim the right to await their verdict at the hands

of their representatives duly elected and in Parliament assembled. We, moreover, respectfully question the course Your Honour has chosen to adopt before the General Elections are concluded, and while the legality of so large a number of elections already over is challenged in the Courts of this Province. Under the circumstances I feel it my duty to ask Your Honour to reconsider the communication addressed to me on the 8th of this month.

I have the honour to be,

Sir,

Your obedient servant.

Premier.

GOVERNMENT HOUSE,

VICTORIA, B. C., August 12th, 1898.

Mr. Charles A. Semlin,

Victoria, B. C.:

SIR,—For reasons intimated in letters of the 14th and 25th July last, and 8th August instant, from myself to the Hon. J. H. Turner, Premier of this Province, I asked himself and colleagues on the latter date to hand in their resignations as my advisers and Members of my Executive Council, informing them that I had decided to call on other advisers without further delay. On the same day I called on the Hon. Robert Beaven to form a Ministry. In calling upon him I was of course aware that he was no longer a leader of the ascendant party, with which yourself and the Hon. Joseph Martin are prominently associated. But as on the best information I could obtain it was made to appear to me that there was no recognised leader of the party since the general elections of the 9th ultimo, it being divided into two factions, supporting the claims respectively of yourself and Mr. Martin to the leadership, and having in view Mr. Beaven's former leadership of the said party, his long and distinguished services to the Province, and his great and widely recognised ability as a financier, so much needed in the present financial condition of the Province, I sent for him on the 5th instant for advice as to the political situation, and the chances of his being able to reconcile the rival, or supposed rival, factions of the ascendant party, and to form a Ministry acceptable to it. As a result of that interview, the subsequent action of calling upon him on the 8th instant was taken. Since then I have had an interview with Mr. Martin, and he assures me that I was quite misinformed, that no division exists in the ascendant party, and that he looks to you as the leader of it. Mr. Beaven has made a similar report to me, to the effect that Mr. Martin looks to you as the recognised leader. Under these circumstances, accordingly, there no longer exists the advisability that at first appeared, on the facts reported to me, of calling upon the old leader to assume the task of forming a Ministry, and reconciling factions. I have the honour, therefore, of calling upon yourself, as the now admitted leader of the ascendant party, to act as chief adviser to the representative of the Crown, and to form a new Ministry.

(Signed) THOS. R. MCINNES.

VICTORIA, B. C.,

August, 12th, 1898.

To His Honour

Thomas R. McInnes,

Lieutenant-Governor of the
Province of British Columbia:

SIR,—I have the honour to acknowledge the receipt of a communication from you of even date, calling upon me to form a new Ministry, and to act as your chief adviser in regard to the public business of the Province. In accepting your call, Sir, I beg to thank you for the high honour conferred, and respectfully assure Your Honour that I will endeavour to carry out your wishes to the best of my ability, and as promptly as circumstances will admit.

I have the honour to remain, etc.,

(Signed.) C. A. SEMLIN.

GOVERNMENT HOUSE,

VICTORIA, B. C., August 15th, 1898.

To the Hon. J. H. Turner, M.P.P.,

Victoria, B. C.:

SIR,—I have the honour to acknowledge the receipt of your communication dated the 9th instant, which has received due consideration on my part. I regret

that it compels me to enter into certain details, respecting the grounds of my lack of confidence in yourself and colleagues as advisers, which, from personal respect retained for yourself, I had hoped to avoid. I certainly expected that, upon receipt of my letter of the 14th July last, and my subsequent refusal to approve of your recommendations, other than in matters of routine, you would have put affairs in order, so as to tender your resignation to me at an early date. I had thought resignation to be the only proper constitutional, as well as dignified, course for a Ministry to adopt which had thus been given to understand that it no longer enjoyed the confidence of the representative of the Crown. Yourself and colleagues took a contrary course, however, by seeking to initiate new business, and asking me again and again to sanction undertakings that were not of routine, and that I could not consider urgent. As to the General Elections, apart from casually telephoning to me on Monday morning, July 11th last, that you were "still all right, the result so far being 15 to 15," you made no report to me whatever, and I was left to rely on the press reports. Time has since shown that the press reports were entirely correct, but in my letter of the 14th July, above referred to, I left it open to you to show that you still had the confidence of the Legislative Assembly. However, you did not see fit to make any report whatever to me as to the General Elections, and to this day I have not received one from you. But you said to me at an interview, had shortly after the result of the elections held on the 9th July last were published, that you would not have a majority in the Assembly, and in my last interview, had on the 2nd of August last with yourself, the Attorney-General and the Provincial Secretary, the same statement was made by the Provincial Secretary, admitting the result of the Cassiar Election would be favourable to your administration. During several interviews with you, I informed you that while I had every respect for yourself, personally, I had little or no confidence in some of your colleagues, and this, together with the verdict of the electorate on the 9th July last, made it impossible for me to unreservedly accept the recommendations of the Executive Council. As above stated, I would have preferred not entering into details of why my confidence in yourself and colleagues, as advisers, was gradually weakened, but your communication of the 9th instant, above referred to, leaves no other course now open. At the last Session of the Legislative Assembly, the Redistribution Bill was brought into the Assembly without having been explained to me by yourself or the Attorney-General. As the formal consent of the Lieutenant-Governor is always given and required prior to the introduction into the Assembly of such a measure as the redistribution of the Electoral Districts of the Province, the Lieutenant-Governor should be consulted in regard to it and its provisions, and the effect of them explained. In the short time at my disposal I was left to review the Bill alone. In doing so, not having the assistance of yourself or the Attorney-General, I did not master it in detail, but on noticing that one clause allowed voters from any part of the Province to go to Cassiar and record their vote, without it being required to have resided even a day in the district, and knowing that the Cassiar Elections always take place from a month to two months after the General Elections for the rest of the Province, and that there was nothing to prevent those who had voted at the General Elections going, or being sent, to Cassiar a month or so later to vote there, I sent for you to give me an explanation. You informed me that you knew very little about the Bill, that it was in the hands of the Attorney-General. I then told you that unless you eliminated the objectionable clause you would endanger the sanctioning of the Bill. Thereupon the Attorney-General waited upon me, and he, in the course of representations made on behalf of the said clause, justified it by alleging that similar conditions existed in remote electoral districts of Ontario. This I knew of my own knowledge was not the case, and I so informed the Attorney-General. The next day, after an all-night Session of the Assembly, from which members vainly opposing this clause retired, as a protest, in a body, the Attorney-General withdrew the said clause. But he did not explain to me, nor did I know at that time, that while Cassiar was being granted an additional member, having only 298 names on the voters' list, far more important and populous sections of the Kootenay country were being given little or no representation. I was subsequently appealed to by the people and press of the Kootenay Districts not to sanction the Bill, and even to dismiss the Ministry

responsible for it. Although sympathising with their natural indignation, I did not consider the circumstances sufficient to warrant so grave an action on my part. It was borne in upon me, however, from that time on, that I was not being advised, to quote the words of Lieutenant-Governor Angers, "wisely, disinterestedly and faithfully." What was I to think of these and other proceedings then and thereafter taken in regard to Cassiar, a District having a special section of the Provincial Elections Act governing it, a section unique, at least in these days, for the way in which it lends itself to manipulation at the hands of the Government and its agents? In case you should be as unfamiliar with the clause as you were with the objectionable clause of the Redistribution Bill, I quote "Provincial Elections Act," chapter 67, section 53, Revised Statutes B. C., 1897:—

"In the Electoral District of Cassiar the Returning Officer shall fix the day for the holding of the polls in each polling station in the District. The day so fixed need not be the same for all the said polling stations, but the Returning Officer shall, in his discretion, fix the holding of the polls at each polling station the nearest practicable day subsequent to the day fixed for the nomination of the candidates as aforesaid, not more than twenty days after the day of nomination."

On Saturday, the 23rd of July last, I was asked, on the recommendation of the Provincial Secretary to extend the election days already fixed by the Returning Officer for Cassiar District for the 30th day of July last and the 6th day of August, instant, to the 1st day of September next, in respect to certain of the polling stations there, to wit: Hazelton, Lorne Creek, Telegraph Creek, Glenora, Dease Creek, McDame Creek, Teslin Lake and Lake Bennett, thus making three polling days for the district at intervals of a week and a month. This I refused to do by my letter to you of the 25th July last, and again refused on separate interviews had with me on the same day by the Provincial Secretary and the Attorney-General; and at your request made an appointment for 12 o'clock the same night to discuss the matter, which appointment you neither kept nor afterwards referred to. Since the 9th July last Orders in Council were frequently placed before me with a request for immediate approval, as the subject-matter was such as to admit of no delay, and great hardship would ensue if they were not then approved. In such cases as I looked into I found that such haste was not necessary, or that matters had been left to the last possible moment before being sent up to me, and that my approval was sought to be carried, so to speak, by surprise and by storm. I moreover continually found Orders in Council on subjects which I had expressly intimated that I would not approve thrust in again among Orders on routine matters in such a way that in some instances I was nearly led inadvertently to sign them, and in one instance, the placing of \$2,500 at the disposal of the Chief Commissioner for constructing country school-houses, I did sign the warrant, having previously refused to do so. I decided to let it go, however, as approved, as it may have been urgently needed as represented. On the 15th July last you asked me to sanction the payment of \$750 to the Woman's Hospital at New Westminster out of the fund provided for destitute poor and sick. It occurred to me that this fund was intended for isolated cases of destitute and sick persons, as wherever assistance was intended for hospitals and charitable institutions they were specifically mentioned by name. I told you that I thought this would be a perversion of the fund, but being advised otherwise by yourself and the Attorney-General, I sanctioned the payment. I am since advised that this was a perversion of the fund. On a subsequent occasion I had a batch of warrants in connection with routine matters sent up for my approval fastened together in the manner in which I had been instructed that my signature on the last sheet would cover the preceding sheet. There was a large number of them fastened together in this way, but I inspected them all individually before signing the last sheet. To my surprise I found inserted therein, in different places, six or seven warrants in blank. As I did not propose to approve of blank warrants I cut them out. This was about the 19th July last. I have since waited for some information in regard to or some enquiry for those warrants in blank, but none has been forthcoming. I was asked to sign a warrant placing \$15,000 at the immediate disposal of the Government Agent in the Cassiar District for the assistance and relief of men to be employed in the construction of trails and roads through the

district. I refused. This led to the long and unpleasant interview of the 2nd August instant had with yourself, the Attorney-General and the Provincial Secretary, in the course of which I was informed that, failing my sanction, the Attorney-General, pursuant to powers vested in him by section 41, sub-sections (a) and (b) of the Revenue Act, cap. 47, of the Revised Statutes, B. C., could have the warrant issued on his recommendation without my signature. To convince me of this, the Attorney-General thereupon produced the said Act, which he had brought with him and had marked, and proceeded to read the said sections. I told him I was glad he could do it without me, and so take the responsibility off my shoulders. But it was so novel an idea to me that after the interview I looked up the sections aforesaid for myself, and I also looked up section 8, chapter 47, of the Revised Statutes, known as the Constitution Act, and I found that the Attorney-General had misinformed me. Had this contention of the Attorney-General been correct, the Attorney-General would have had considerable control of the Treasury. As far as I am aware, however, the Attorney-General did not attempt to exercise his powers in this respect. I could not avoid the conclusion that I was being misled for the purpose of influencing me to sign the warrant under discussion. A week has elapsed since you were dismissed by a formal demand for your resignation. To my great surprise, you have attempted to evade that dismissal, and have forwarded me a document of controversial nature, above acknowledged. The references therein to an alleged conversation with my Private Secretary are impertinent, and if such conversation took place as alleged by you, it would only be another of the strangely improper courses you have of late seen fit to pursue. The questions raised therein as to constitutional law I shall not discuss with you. You have allowed yourself to make certain insinuations therein, which might have been expected from a mere partizan, or from a certain irresponsible section of the press, but which I had not expected from you, and which I hesitate to attribute to you, although over your signature. I have heard of defeated litigants who ascribed the action or decision of a Court to the relationship existing between the Judge and the Counsel appearing before him, but it is a new thing to me that a Prime Minister should insinuate that a Lieutenant-Governor's action is due to a relationship existing between himself and a public man representing a constituency in the Dominion Parliament. I shall make no reply to it, other than to say that since the 13th July last I have consistently and repeatedly intimated to you by letter, interview, and action, that my confidence in yourself and colleagues as advisers was gone. I could not let the fear that my action, whatever it might be, would be subject to peculiar misrepresentation, tie my hands, or deter me from following such course as my duty to the people of the Province appeared to demand. You end your communication by the extraordinary request that I reconsider the dismissal given to you on the 8th August instant. Such a request, emanating from you after what had transpired, and in the face of the insinuations contained in the former part of the same communication, betrays either such a lack of knowledge and propriety on your part, or such readiness to advise me to a venal course of action, as to finally demonstrate your unfitness to act as chief adviser to the representative of the Crown. The prerogative of dismissal was exercised by me on the 8th August instant, when yourself and colleagues, by a formal demand for your resignation, were relieved from your duties as advisers to me, and dismissed as members of my Executive Council. Such action is not subject to reconsideration.

VICTORIA CITY BY-LAWS.

(No. 290).

A BY-LAW

For regulating the supply of water by the City Water-Works, and fixing the rates to be paid therefor.

WHEREAS by the "Corporation of Victoria Water-works Act, 1873," the Municipal Council of the City of Victoria are authorised and empowered to make such by-laws as to them shall seem requisite and necessary for (*inter alia*) prohibiting the selling, disposing, giving away, neglect, or waste of water supplied by the Water-works, and for regulating the time, manner, extent and nature of the supply by the said Works, the tenements or parties to which and to whom the same shall be furnished, the price or prices to be exacted therefor, and each and every other matter or thing relating to or connected therewith which it may be necessary or proper to direct, regulate or determine for issuing to the inhabitants of the City a continued and abundant supply of pure and wholesome water:

And whereas it is deemed expedient to repeal the existing By-laws relating to the matters aforesaid, and to amend and re-enact the same:

Therefore, the Municipal Council of the Corporation of the City of Victoria enacts as follows:—

1. The "Water-works Regulation By-law, 1894," and the "Water-works Regulation By-law, 1894, Amendment By-law, 1895," are hereby repealed.

2. It shall not be lawful for any person, being the occupant, tenant or inmate of any house, or otherwise supplied with water from the Water-works of the City of Victoria, unless supplied by meter, to vend, sell or dispose of such water, or give it away to any person or persons whomsoever, unless in case of actual necessity, or permit it to be taken or carried away by any person or persons whomsoever, or to use or supply it to the use or benefit of others, or to any other than to his, her or their own use and benefit, or to increase the supply of water agreed for with the Water Commissioner, or to wrongfully neglect or improperly waste such water.

3. That any person or persons guilty of any infraction of any of the provisions of the last preceding section shall, upon conviction before any Justice of the Peace before whom any proceedings may be taken for the enforcement thereof, on the oath or affirmation of any credible witness, forfeit and pay, at the discretion of the said Justice convicting, a penalty not exceeding one hundred dollars for each offence, together with the cost of such prosecution, or shall be imprisoned at the discretion of the said Justice convicting, for a term not exceeding three calendar months, with or without hard labour, and in default of payment of said penalty and costs forthwith, it shall and may be lawful for the Justice convicting as aforesaid to issue a warrant under his hand and seal, to levy the said penalty and costs, or costs only, by distress and sale of the offender's or offenders' goods and chattels; and in case of no sufficient distress to satisfy the said penalty and costs, it shall and may be lawful for the Justice convicting as aforesaid to commit the offender or offenders, to prison for any period not exceeding three calendar months unless the said penalty and costs be sooner paid.

4. The owner or occupier of each building using the water of the said Water-works shall, at his own expense, lay down and provide, and at all times maintain and keep in good condition, all the pipes and apparatus upon his premises or for his use, of the description and subject to the rules following, namely: Such pipes shall be anti-corrosive and laid to a depth of not less than sixteen inches below the surface of the ground and be provided with a sufficient number of stop and waste cocks, with handles placed above the surface of the ground, by which the water can be shut off, and all pipes exposed to frost drained dry when required, and no consumer shall run, or allow to run, water to waste either to prevent pipes from bursting by frost or otherwise.

5. The drawing (bib) stop and ball cocks shall be strong and of hard brass, and of the kind known as the compression cocks, or such other kind as may be sanctioned by the Water Commissioner or City Engineer, and in courts or yards of houses and other exposed places shall be protected by a casing made to open with a key and kept locked.

6. Every cistern supplied from the said Water-works must be absolutely watertight, and provided with a ball cock and proper means of access and inspection, and must not have an overflow or waste pipe unless the same is constructed to the satisfaction of the Water Commissioner or City Engineer.

7. Every water closet supplied from the said Water-works must be provided with a full and complete apparatus, with proper valves so arranged to let down not more than one boot or division full of water at each pull and to prevent the water from running to waste by inattention or neglect, and a proper basin, scatterer, weighted lever, pan, trap, and other appliance needful to prevent such water closet from becoming a nuisance and inducing an undue consumption of water, and the valves must be worked by brass or copper wire. Every self acting or pull down water closet must be of a description approved by the Water Commissioner or City Engineer. The double valve service boxes must be provided with a ball tap of the approved kind, half an inch in diameter. No water pipe shall communicate with a closet otherwise than with the cistern or service box and so as to prevent the return of foul air or impure matter into the pipes of the said Water-works, and no water pipe shall communicate directly with any urinal or slop hopper.

8. No water pipe shall be laid through, in or into any slough, drain, ashpit, manure hole, or other place from which in the event of decay or injury to such pipe, the water of the said Water-works might become foul or escape without observation or without injury to the consumer. Where any such slough, drain, ashpit, manure hole, or other place shall be in the unavoidable course of the water pipe, such pipe shall be passed through an exterior or cast-iron pipe or box of sufficient length and strength to afford due protection to the water pipe and to bring any leakage or waste within the means of easy detection.

9. No pipe or apparatus shall be connected with the said Water-works until it has been inspected by the proper officer of the said Water-works and certified by him to be in accordance with the Water-works regulations.

10. Every water meter must (unless otherwise specially agreed) be provided with a separate inlet pipe leading from the main or other pipe of the said Water-works, upon which inlet pipe no stop-cock or other outlet leading to or connected with the premises for the supply of which such meter is fixed shall be attached.

11. No plumber or other workman shall be allowed to do or perform any work connected with the supply of water from the said Water-works until he shall have been admitted, enrolled, and published by the Water Commissioner as an authorised Water-works plumber, and shall have entered into a written engagement to conform to and comply with the by-laws, rules and regulations of the said Corporation in relation to the construction and management of the works and fittings to which such by-laws, rules and regulations shall, from time to time, apply; and any master plumber whose name has not been erased, as hereinafter provided, shall, on expressing his willingness to comply with such by-laws, rules and regulations, be admitted immediately on signing an undertaking to that effect; and if at any time afterwards any such plumber shall willfully break or evade any such by-laws, rules and regulations, either by himself or any of his workmen, or shall refuse to communicate any information required of him in regard to any work done by him or any of his workmen, or under his superintendence, or on his responsibility, the Water Commissioner shall cause his name to be erased from the list of authorised plumbers, and such name shall be forthwith advertised as having been struck off.

12. In every case in which a building, or block of buildings, occupied under two or more separate tenancies, each of such tenancies shall, for the purpose of this by-law, be considered as a separate building, and shall not be supplied with the water of the said Water-works except by means of a separate pipe laid from the outer edge of the sidewalk, with a proper stop-cock; but an office or room, or flat of offices or rooms, not being on the main floor of a building, shall not be considered as a separate tenancy.

13. Any person or persons vacating any premises that have been supplied with water from the city main, or who may wish to discontinue the use thereof for a period of not less than one month, must give one week's notice of the same to the Commissioner, in

writing, otherwise such person or persons will be liable for the rent thereof.

WHEREAS it is expedient that all lands or real property within the limits of the Corporation of the District of Sumas, upon which municipal taxes have been due and in arrears for two years prior to the passing of this by-law, shall be sold, and the proceeds applied toward the reduction of such taxes:

Be it therefore enacted, by the Municipal Council of the Corporation of the District of Sumas, as follows:—

1. The Collector of the Municipal Council of the Corporation of the District of Sumas is hereby authorised and directed whensoever taxes on any land or real property have been due for two years preceding the current year, to submit to the Reeve and Council of the said Corporation a list in duplicate of all such lands or real property, with the amount of arrears against each lot set opposite to the same; and the Reeve shall, upon resolution of the Council, authenticate such list by affixing thereto the seal of the Corporation and his signature; and one such list shall be deposited with the Clerk of the Corporation, and the other shall be returned to the Collector with a warrant thereto annexed, under the hand of the Reeve and the seal of the Corporation, commanding him to levy upon such lands or real property for the arrears due thereon, with costs and expenses of or incidental to the proposed sale.

2. The Collector shall prepare a copy of the list of lands or real property to be sold, and in such list shall be scheduled in separate columns:—

(1.) The amount of taxes unpaid to the date of passing this by-law.

(2.) The Collector's commission authorised by this by-law to be paid to him, and contingent expenses of sale.

(3.) The total amount of taxes and costs for which the property is liable to be sold;

And the Reeve shall authenticate such list by affixing thereto the seal of the Municipality of Sumas and his signature;

And the Collector shall cause a copy of the last-mentioned list to be published for a period of at least one month preceding the date of such intended sale in some weekly newspaper circulating in the Municipality of Sumas.

3. The advertisement shall contain a notification that, unless the arrears and costs are sooner paid, he will proceed to sell the lands or real property for the taxes on a day and at a time and place named in the advertisement.

4. It shall not be the duty of the Collector to make inquiry, before effecting a sale of lands or real property for taxes, to ascertain whether or not there is any distress upon the land, nor shall he be bound to inquire into or form any opinion of the value of the land or real property.

5. The Collector shall, at least two months before the time of sale, also deliver to or deposit in a regis-

tered letter in the post office, to the address of the registered owners of such property which is to be sold for taxes as aforesaid, or to the agent of such owners, and to the holder or agent of holder of any registered charge on such property, a notice in writing, or partly in print and partly in writing, of the amount of taxes due, and that the property is to be sold for the arrears so due; and in case the name or post office address of the owner or agent is unknown, a notice to the same effect shall be posted upon the land intended to be sold; and also, at least two months before the time of sale, post a notice similar to the above advertisement in some convenient public place, that is to say, on the front door of the Sumas Council Hall.

6. 7. If at any time appointed for the sale of the lands or real property no bidders appear, the Collector may adjourn the sale from time to time.

8. If the taxes have not been previously collected, or if no one appears to pay the same at the time and place appointed for the sale, the Collector shall sell at public auction so much of the land or real property as may be sufficient to discharge the taxes and interest thereon, and all lawful charges incurred in and about the sale and collection of the taxes, selling in preference such part as he may consider best for the owner to sell first; and in offering such land or real property for sale it shall not be necessary to describe particularly the portion of the lot or section which shall be sold, but it will be sufficient to say that he will sell so much of the lot or section as shall be necessary to secure the payment of the taxes due, and the amount of taxes stated in the advertisement shall in all cases be *prima facie* evidence of the correct amount due.

9. If the Collector fails at such sale to sell such land or real property for the full amount of arrears of taxes due, he shall at such sale adjourn the same until a day to be publicly named by him, not earlier than fifteen days nor later than three months thereafter, of which adjourned sale he shall give notice by advertisement in the newspaper in which the original notice was advertised, and on such day he shall sell such land or real property for any sum he can realize: Provided, that in event of the price offered for any lot or section at such adjourned sale being less than the amount of arrears of taxes due in respect of such lot or section, the Collector shall have power, if he thinks fit to do so, to purchase such lot or section in the name of and on behalf of the said Municipality.

10. If the purchaser of any property or parcel of land fails immediately to pay the Collector the amount of the purchase money, the Collector shall forthwith again put the property up for sale.

11. Immediately after every sale the Collector shall return a list of the arrears satisfied by such sale, to the Clerk of the Municipality, and shall at the same time pay in the proceeds to the Treasurer of the said Municipality.

12. The Collector shall be entitled to six per centum commission upon all sums collected by him as aforesaid.
